

ALL INSURANCE HERE TOMORROW

Tomorrow's game at the fair grounds will be between the All-Insurance Semi-Pro Baseball club of Hartford and the fast local Knights of Columbus team. The All-Insurance team is a very fast club this season, having acquired several players of last season's Pol team, as Pol is not organized this year. The team includes Alwood if, formerly with Pol, shortstop, formerly with Pol and New Departure team; Howard, first base, last year with South Norwalk Semi-Pro; O'Neil, center field, formerly with the Hartford Eastern League; Fannon, right field, formerly with Hartford Eastern League; Underhill, 2nd base, last year with the Waterbury Eastern League club; Meade, catcher, formerly with Hartford Eastern League; McGill, pitcher, formerly with Pol and Waterbury club; Pollard, pitcher, formerly with Springfield and Hartford of the Eastern League. This is a very strong outfit and will make the local team work hard in order to win.

The local team will be composed of the same lineup as last Sunday, with the exception of a new first baseman, Bill Austin will play right field.

A change has been made in the time of starting the games. In the future games will start at 3 o'clock (standard time).

The following is the batting order of both teams:

All-Insurance—Alwood if, Underhill 2b, Iselb ss, Howard 1b, Butler 3b, O'Neil cf, Fannon rf, Meade c, McGill p, Pollard p.

Knoxy—Brogan ss, McKay 2b, Putnam 3b, Keillor lf, Wik of, Austin rf, Cavallina 1b, Bergen c, Canavan p, Liberty, utility.

AMERICAN THREAD OPENS
SEASON AT HOME SUNDAY
(Special to The Bulletin.)
Willimantic, May 13.—All baseball fans of this vicinity will turn out Sunday to witness the opening game of the American Thread Company. Manager "Jack" McQuillan has stacked his team against Manager McDermott's Braves of Putnam for the opener of 1921. The Braves won the championship of eastern Connecticut last season and are hitting a fast stride this season.

FINANCIAL AND COMMERCIAL

MARKET FLUCTUATED.
New York, May 13.—Stocks were irregular at the outset of today's session, firm to strong during the intermediate period and heavy at the close, when retreating sales virtually wiped out 1 to 3 point gains made by various speculative favorites.

Steeles, oil, motors, leathers, utilities and several of the popular miscellaneous specialties were prominent on the constructive side, while tobacco, shipping and some of the transportation developed more reactionary tendencies. These gained the upper hand in the final hour. Sales amounted to \$25,000,000.

Lower money rates, the stronger position of the federal reserve banks and the decision of the federal reserve board to extend acceptance of import and export bills to six months were among the factors which gave impetus to the market.

Call money opened and renewed into next week at 6 1/2 per cent, as compared with the recent quotation of 7 per cent. Banks, including interior institutions, were disposed to lend more freely on short time loans and commercial paper.

Less apprehension was excited by the question of additional dividend reductions or suspensions and investment conditions were regarded as more stable because of the success which attended latest corporate offerings.

Foreign exchange was another stabilizing influence. London and most of the continent's holdings at or near latest high records and in several noteworthy instances establishing new maxima. This was true of French, Belgian, Italian and Dutch remittances. Marks also made substantial improvement, but sterling was barely firm. Spanish, Greek and Scandinavian bills broke sharply.

Strength of Mexicans was again a feature of the bond market and many of the European notations made further response to the strength of foreign exchange. Liberty bonds closed at various gains, but most other domestic issues, including rails, were irregular. Total sales (par value) was \$3,650,000.

COTTON.
New York, May 13.—Spot-cotton quiet; middling 12.65.
